#### **What if it rains? Call the hotline 973 299 1335, extension 8 (not 5!).**

All players should have this number! V Ford will update the hotline 1 hour prior to game start (that 8:00am) only if the games are cancelled. If there is no message, you should go to the field. Do not play if you can hear thunder.

Note: If Saturday's game is cancelled, just skip it in the schedule and add the skill training to the next week. We will not add games to the end of the season.
