

Terms and Conditions

- Wholesale prices listed are our net wholesale prices. Trade prices listed are suggested prices to the trade. All prices are in US Dollars.
- Add the total quantity of controls and valves to determine the appropriate quantity bracket for pricing.
- All prices are FOB Pompton Plains NJ USA
- Freight (UPS Ground or equivalent) is allowed on all domestic orders with a combined total of at least 200 valves and controls (for Alaska orders, freight allowed to Seattle WA).
- Prices are subject to change without notice. The invoice price will be the price in effect at the time of shipment from our Pompton Plains NJ facility.
- Prices do not include sales, excise, municipal, or state taxes where applicable.
- Our general conditions of sale and 18 month warranty apply to all orders.
- Order for less than \$75 are subject to a \$10 service fee.
- Visa, Mastercard, and American Express accepted.

Warranty

- Ammark warrants its products to be free of defects due to workmanship or materials for 18 months from date of our invoice under normal use and service and installed in accordance with our installation instructions. If defective due to workmanship Ammark will repair or replace the product at its option.
- The express warranty above constitutes the entire warranty with respect to Ammark's products and is in lieu of all others, expressed or implied, including any warranty of merchantability and warranty of fitness for a particular purpose. Ammark is not responsible for any consequential damages of any nature.
- All returns must be made in accordance with Ammark's return goods policy.

Warranty Claims

- Defective products may be replaced on an emergency basis at the customers discretion. Product shipments made on this basis will be invoiced on a normal order fulfillment basis. Credit will be issued (including freight) on the return of product defective in workmanship or materials under normal use and service.
- Return of products under warranty must be made on a freight prepaid basis with Ammark's prior approval by means of a return goods authorization number issued directly from Ammark. Material sent without a return goods authorization may be rejected.
- Products returned under warranty must be packaged properly to prevent subsequent damage in transit. Any subsequent in-transit damage is the responsibility of the sender.
- If the returned product is found to be defective in workmanship or materials under normal use and service, Ammark will repair or replace the products at its option. If an emergency replacement was already provided, credit will be issued.
- If inspection by Ammark does not disclose any defect covered by the warranty, the product will be returned, scrapped, or repaired and returned at customer's direction. Service and return freight charges may apply.
- Final disposition of any warranty claim will be determined solely by Ammark.

Return of Unused Product

- Return of unused products must be made on a freight prepaid basis with Ammark's prior approval by means of a return goods authorization number issued directly from Ammark. Material sent without a return goods authorization may be rejected.
- Only products invoiced by Ammark in the preceding six months will be accepted for return.
- Products which have been used or damaged will not be accepted for return.
- Products returns must be packaged properly to prevent subsequent damage in transit. Any subsequent in-transit damage is the responsibility of the sender.
- A restocking charge of 15% or \$50 (whichever is greater) will be applied to returned products.
- Credit will be issued for the invoice amount, less freight, less restocking charge.
